Sub: Expression of Interest for Allotment of Model Training Centres for Skill Development Training Programmes

Sir,

You might be aware that the Ministry of Rural Development is implementing National Rural Livelihood Mission programme with an ambitious objective of Making India free from all forms of poverty especially prevalent in rural areas. In nutshell, the programme basically put emphasis on Social Inclusion, Financial Inclusion, Economic Inclusion and promotion of Livelihood activities to bring rural population out of the vicious cycle of poverty.

Further, it is to mention here that developing skills of rural youths is imperative to enable them find employment opportunities in rapidly changing economy, and earn a meaningful source of income for livelihood. This is the reason why NRLM since its inception has been giving abundant importance to the skill development initiatives, And to support such initiatives, the District Administration has set up 4 nos. Model State of the Art Training-cum-Production Centres at Tangarpali Block Campus, at Patrapali Chowk, Sundargarh under Sadar block, at Karamdihi under Subdega block and at Bonai under Bonaigarh Block of Sundargarh district for the exclusive benefits of rural candidates seeking skill development training.

In this regard, we are inviting Expression of Interest from your Organisation to take Skill Development Training Programmes in the above Centres as per your suitability.
Objectives

- The emphasis is to provide skill development training to the youths in such a way so that they get employment and to promote entrepreneurship.

- Provides training, support and guidance for traditional occupations like cobblers, welders, masons, nurses, tailors, weavers, mobile repairing, food processing etc.

- More emphasis will be given on new areas like real estate, construction, transportation, textile, gem industry, jewellery designing, banking, tourism and various other sectors, where skill development is inadequate or nil.

- The training programmes would be on the lines of international level so that the youths of our country can not only meet the domestic demands but also of other countries like the US, Japan, China, Germany, Russia and those in the West Asia.

- Tailor-made, need-based programmes would be initiated for specific age groups which can be like language and communication skills, life and positive thinking skills, personality development skills, management skills, behavioural skills, including job and employability skills.

- The course methodology of 'Skill Development' would be innovative, which would include games, group discussions, brainstorming sessions, practical experiences, case studies etc.
